Education

- **2012-2022** : Ph.D. Student in Near Eastern Archaeology, Paris 1-Panthéon Sorbonne University
Supervisor: Pascal Butterlin - ArScAn Department, UMR 7041: VEPMO team.
Ph.D. research: « *Measuring the trade in the Eastern Mediterranean: Middle and Late Bronze age Levantine amphorae under study* ».
- **2010-2011** : M.A. (year 2), Paris 1-Sorbonne University
Supervisors: Pascal Butterlin/Guillaume Gernez. Dissertation: « *Southern Levantine Amphorae Traded During Iron II (1000-600 B.C.E.)* ».
- **2009-2010** : M.A. (year 1), Paris 1-Sorbonne University
Supervisor: Jean-Paul Thalmann. Dissertation: « *Commodities Traded in Southern Levantine Amphorae During Iron II (1000-600 B.C.E.)* ».
- **2004-2007** : B.A. of Archaeology and Art History, Montpellier 3-Paul Valéry University

Fieldwork Experience

- **March 2023** : Study of the Levantine amphorae from Sidon – Lebanon
- **September 2022** : Underwater excavations, Mesolithic forest submerged, direction M.-P. Jézégou (DRASSM) – Carnon (34)
- **October 2017** : Study of the Levantine amphorae from Pyla-Kokkinokremos and Pyla-Vergki (Larnaca Museum) and from *Maa-Palaeokastro* (Paphos Museum) – Cyprus
- **October 2017** : Study of the Levantine amphorae stored at the National Museum of Beirut and at the Museum of the American University of Beirut – Lebanon
- **June 2017** : Excavations, Tel Qleiaat (Kesrouane), direction M.H. Boustani (MPL-USJ) & J.S. Baldi (IFPO) – Lebanon
- **August 2015** : Study of the Levantine amphorae from Crete (Kommos) & Santorini (Akrotiri) – Greece
- **April 2015** : Study of the Levantine amphorae from Hala Sultan Tekke & Enkomi (Larnaca Museum) – Cyprus
- **March 2015** : French School at Athens Scholarship to study Levantine amphorae found in Mainland Greece (Argos, Dimini, etc.) & Sampling 6 vessels for petrographical analyses – Greece
- **October 2014** : Study campaign to draw and examine Levantine amphorae found at Tell el-Dab'a, direction I. Forstner-Müller & Study of an amphora from Deir el-Medineh at the IFAO (Cairo) – Egypt
- **June-August 2014** : Typological study on the Canaanite jars from "Uluburun" shipwreck, Bodrum Center (Institute of Nautical Archaeology-Texas A&M University), direction C. Pulak – Turkey
- **April-May 2014** : Comparative study of capacity measurement methods conducted on Etruscan amphorae from "Grand Ribaud F" shipwreck, Department for Underwater and Undersea Archeological Research – Aix-en-Provence (13)
- **February 2014** : French School at Athens Scholarship to study Levantine amphorae found in Mainland Greece (Athens, Tiryns, Mycenae, etc.) – Greece
- **June-August 2013** : Capacity study on the 150 Canaanite jars from "Uluburun" shipwreck, Bodrum Center (Institute of Nautical Archaeology-Texas A&M University), direction C. Pulak – Turkey
- **July 2009** : Excavations, Gallo-Roman villa, "Oppidum de l'Ermitage", direction F. Olmer – Alès (30)
- **2008-2009** : Underwater surveys in rivers, direction O. Bauchet & P. Bonnin (GRAS) – Seine-et-Marne (77)
- **April 2008** : Excavations, Sanctuary "La Malledeta" & Surveys in Elche quarries, directed by P. Rouillard – Spain
- **March 2007** : Archaeological surveys in vineyards – Montpellier surroundings (34)
- **July 2006** : Underwater excavations, medieval village submerged in Paladru Lake, direction E. Verdel – Charavines (69)
- **July 2004** : Archaeological excavations, Gallo-Roman villa, direction A. Fretay – Tarascon (13)

Specific Courses

- 2012** : Ceramic Drawing and Computer-Aided Drawing, C. Batigne & C. Brun, MOM - Lyon University.
- 2010** : Archaeological Photography, MAE - Nanterre University.
- 2007-2010** : Near Eastern Archaeology, J.-P. Thalmann, Paris - Sorbonne University.
- 2007-2009** : Phoenician Epigraphy, F. Briquel-Chatonnet, ENS, Paris.
- 2004-2007** : Egyptian Epigraphy, B. Matthieu, Montpellier University.

Special Skills

- * Driving License since 2004 (car) & 2022 (motorbike)
- * Scuba Diving, Level II (PADI ; CMAS)
- **Computer skills** : Microsoft Office Suite, Adobe Suite, FileMaker, PotUtility, AutoCAD...
- **Fieldwork skills** : Landscape and underwater surveys, processes of terrestrial and underwater excavations, principles of stratigraphy, recording techniques (i.e. section drawings, scaled plans, wall elevation drawings, ceramic drawings, photographs, etc.), post-excavation processes, drawings with Computer Aided Design...
- **Languages** : French, English, Spanish (fluent); Greek, Turkish, Arabic (beginner).

Research Interests

- **Scientific** :
 - Near Eastern Archaeology (with an emphasis on Late Bronze and Iron Age periods).
 - Long Distance Trade and International Networks in the Eastern Mediterranean.
 - Underwater Archaeology
- **Others** :
 - Scuba diving, climbing, hiking, outdoor sports, traveling, photography, handy craft, apartment renovation, books collector, and so more...

Talks and Presentations

- **9th-13th June 2014** : "Comparative study: Different methods to measure an amphora capacity", poster presented at the 9th ICAANE – Basel (Switzerland)
- **2nd-5th September 2015** : "Trade and capacity study in Eastern Mediterranean: the first amphorae from coastal Levant", talk presented at the 21th annual meeting of the EAA – Glasgow (Scotland)
- **9th March 2016** : "Étude de capacité en Méditerranée orientale : Les amphores levantines échangées lors du Second millénaire avant notre ère", talk presented at the CRFJ seminar – Jerusalem (Israel)
- **3rd-7th April 2018** : "Imported Levantine amphorae at Tell el-Dab'a: a volumetric approach to reconsidering the maritime trade in the eastern Mediterranean", talk presented at the 11th ICAANE – Munich (Germany)
- **12th-13th May 2022** : "The Levantine amphorae of the Late Bronze Age: a logistical improvement for the benefit of trade in the Mediterranean", talk presented at the webinar "Levantine and Phoenician Commercial Amphorae between East and West: patterns of innovation" organised by the CNR ISPC researchers Massimo Botto and Tatiana Pedrazzi – Online
- **10th-13th October 2022** : "The vessel capacity calculation solution at ULB: 15 years later", talk presented at the symposium "The Corpus Vasorum Antiquorum (1922–2022). A Century of Exploring Greek Vases: Typologies, Readings and Debates" – Brussels (Belgium)
- **25th October 2022** : "Measuring the trade in the eastern Mediterranean: Middle and Late Bronze Age Levantine amphorae under study", talk presented at the seminar of the Institut für Ur – Heidelberg (Germany)
- **In preparation – 24th-26th April 2023** : Conférence "Le transport d'amphores levantines en Égypte au Bronze moyen et récent : les bénéfices pour le commerce méditerranéen d'une relation à long-terme", talk presented at the conference "Transports et mobilités en Égypte antique" organised by the University Paul Valéry – Montpellier (France)
- **In preparation – 15th-16th June 2023** : Workshop "No half measures for understanding ancient pots: aims and methods of capacity studies in the Mediterranean Bronze Age" organised by Cydrisse Cateloy, Maia Pomadere and Russell Webb with the collaboration of the EfA – Athens (Greece)

Publications
